## Narberth Wins Main Line League Title For Third Straight Year

Brookline Bows to Davismen in Deciding Contest 9-8

FANS SEE WILD GAME

By JOHN MULLIGAN  
Champions again!

For the third straight year Manager Gene Davis' borough tossers reign as titlists of the Main Line League after nosing out Brookline by a 9-8 score in the fifth "Little World Series" battle last Sunday.

More than 4000 thrill-mad rooters saw the coronation, watched as a fighting pack of Narberthites came back when the cause seemed lost to score two runs in the final turn at bat and send Eddie Hare's gang into the abyss.

It was a wild ball game all the way with plenty of slugging and a steady parade of pitchers. Three saw service for the losers who were first-half champs, while two worked on the hill for the Davismen. Al Herrmann started for Narberth and gave away after seven innings to the veteran Bill Reynolds, who got credit for the victory. Georgie Severn lasted four frames for Brookline, was relieved by Kenzie Woelfel, who in turn gave up the job to Lefty Bob Penman. Woelfel was charged with the defeat. Score Early

Brookline broke into the scoring column in the very first inning, getting one run when George Gallagher poled a homer to left-center. The visitors scored another in the third and two more an inning later to hold a comfortable lead. They were helped along by some rather weird base running on the part of the ultimate champions. For instance, a triple play killed off a Narberth rally in the second inning when the borough was caught napping.

However, Davis' charges clicked a merry tune in the fourth, scoring four runs when Jack Eachus' poled a homer with two aboard. Two more in the fifth followed only to see Brookline get one in the sixth. Narberth scored a single marker in the stretch-inning, but the Haremen tallied three

## Political Pot

Narberth's Republican Committee, through Charles V. Noel, borough leader, announced this week that residents who have failed to register, may still vote on affidavit at the general election November 3. Requirements for casting ballots are residence in Pennsylvania one year, and residence in district of 60 days. Persons moving out of the State and then returning, need but six months to re-establish Pennsylvania residence.

Young Republicans are cordially invited to a dance Saturday evening at 8.30 at Republican headquarters, Swede street, Norristown. No charge.

On the platform when Colonel Theodore Roosevelt, Jr., addresses a huge Republican rally at Willow Grove Park, Saturday afternoon, at 2 o'clock, will be these Main Line citizens: Mrs. John Y. Huber, Jr., Joseph N. Pew, Peter C. Hess, Benjamin

Propaganda Sinister Force as it Causes News Bias, R. F. Wood Tells Rotarians

Propaganda is a powerful force, according to Robert F. Wood, but he doubts the widely held belief that propaganda dragged us into the World War. This was one of the high points in a discussion of advertising, publicity and propaganda before the Bala-Cynwyd-Narberth Rotary Club Tuesday.

Mr. Wood, advertising manager of the Autocar Company, Ardmore, spoke from long experience in the Fourth Estate. A former New England newspaperman, he has observed the workings of the forces of public persuasion from several viewpoints.

The speaker defined advertising as "signed publicity." Publicity itself, he said, is an effort to get information before the people, with the authorship undisclosed. Propaganda, on the other hand, is a more sinister thing. News bias is one of its results. The reporting, in American Newspapers,

Drama Recital Given Before Ardmore Club

Mrs. Robert W. Baily Delights with Interpretation of "Victoria Regina"

SHE IS NARBERTH ARTIST

The opening program of the season at the Ardmore Woman's Club was held at the clubhouse, 106 Ardmore avenue, on Friday, October 9.

A most interested audience heard Maroa Baily (Mrs. Robert W. Baily, of Narberth), in a dramatic recital in costume of "Victoria Regina," the current New York production which stars Helen Hayes as Queen Victoria.

Mrs. Baily, so attractive and charming a young Victorian in a satin gown of blue and pink, in the period of the times, played the parts of all the characters in this absorbing historical romance with great sincerity and unflinching diction.

Without the use of Miss Hayes' clever appliances of "old age" make-up in the final "book" of the play, Mrs. Baily nevertheless created an artistic sense of the passing of time as Victoria stands before a falling curtain on the occasion of her Diamond Jubilee. The illusion that one was witnessing a fully cast, completely finished stage production, was most real.

Miss Dorothy Baseler, harpist, of Ardmore, played preceding the play and also supplied, most effectively, the "off-stage" music during the play.

Mrs. Allen G. Miller is president, Mrs. Paul Keefer is program chairman and Mrs. S. E. Slocum, chairman of drama, introduced the artists. Following the program, Mrs. Arthur Ritchings presided at a most attractive tea table.

Schrepfer Heads Co. Recreation Plan Survey

University Professor Will Direct Six Investigators in Field

CONSERVATION IS AIM

A field survey, requiring about six months' time, will be made in Montgomery County to assemble data for the use of municipal officers, school boards, planning commissions, township commissions and civic groups interested in recreation opportunities. Frank A. Schrepfer, of Grayling avenue, Narberth, University of Pennsylvania professor, will direct the activities of six field investigators on the project.

Headquarters will be in the township building, Ardmore. The survey is financed as a WPA project. It also has the indorsement of the county commissioners.

Mr. Schrepfer, whose voluntary services are made available through a university policy of co-operating with all public agencies, said there is a double objective in conducting the survey and making the plan. These are:

1. Conservation of existing spots of natural beauty, historical features and recreational opportunities.
2. Planning for future development of such resources and recreational facilities of various kinds.

Baseball Club Plans Benefit for Gavin

Public Asked to Help Raise Fund for Borough's Injured Star

LETTER OF PRESIDENT

Narberth's baseball club will not have a banquet this year nor will the players divide the money received during the recent "Little World Series." Instead the sum usually spent on the festive dinner and for extra luxuries for the players will go to John (Mickey) Gavin, Jr., star shortstop of the borough team, whose injury on Monday has saddened the entire community.

Also a letter is appended from the president of the club, R. A. Cabrey, asking that the citizenry co-operate in raising a fund for Gavin.

Gavin, who is 21 and lives in Bryn Mawr, suffered a badly crushed right leg when a five-and-one-half-ton beam crushed the member against a piling at a County Highway Department project in Cheltenham Township.

He is in the Abington Memorial Hospital, where efforts are still being made to save his leg from amputation. Several blood transfusions have been given to the youth.

Gavin was a three-letter man at Lower Merion High School and is under contract to play with the Richmond, Va., baseball club next spring.

Letter From President

R. A. Cabrey's letter to the public follows:

To the Editor of Our Town:

The gaiety which was still echoing throughout the borough on account of Sunday's thrilling climax to a very successful ball season was abruptly and cruelly terminated Monday morning by the sad and sudden disaster which now lays our own Mickey Gavin helpless in the Abington Hospital.

The nature of his injuries are such that it is very doubtful if ever again he will be seen gracing the borough

Boro Residents' Aid Sought for Firemen

Mulieres and Active Members' Club Jointly Sponsoring Benefit

DRAWING NOVEMBER 12

At the first fall meeting of the Mulieres of the Narberth Fire Company in Elm Hall Monday afternoon, Mrs. Albert Nulty and Mrs. George Michener were appointed as the nominating committee to select officers of the organization to be elected Monday, November 9.

The Mulieres are joining the Active Member's Club of the fire company in sponsoring the sale of a book of tickets. The firemen will leave one book of tickets at the door of each resident in the fire district.

On November 12 there will be a drawing at Elm Hall.

The award for the first set of drawings will be a set of dishes of 106 pieces; the second a Celanese Down Comfort and third, two books of movie tickets. Every resident in the fire district is urged to take a book and thus help the fire company to raise funds.

Narberth Players Observe Guest Night: Pianologues and Play Well Received

Guest Night was observed by the Narberth Players at their October meeting Tuesday in the Narberth School Auditorium, presided over by B. G. Simpson, president.

Mr. Simpson outlined the benefits of membership to the visitors and asked residents' co-operation in the furnishing for productions of costumes and furniture. The membership campaign ends October 23.

All committees are now functioning efficiently except the Entertainment group, for which he will appoint a chairman this month. Miss Bobbe Badger, temporary chairman, has asked to be excused from the position. Lloyd B. Edgerton presented the Players with a set of dishes.

The one-act play given, "Sad About Europe," was a travesty of hard-boiled Americans seeking culture in sophisticated Europe, ably presented by Grace Werner, Paul Goodyear,

Narberth Players To Bow In Season With "Bishop Misbehaves" Oct. 23-24

While G. Men deal out a surefire justice to the bad men of U. S. A., Frederick Jackson's Bishop, in "The Bishop Misbehaves," punishes the scoundrels that threaten life and property in Surrey, England. Under the coaching of Martha Lindsey Simpson, the Narberth Players will present to their audiences on Friday and Saturday, October 23 and 24, their hilarious version of the "English justice" which has remained continuously comical since the first performance of "The Bishop Misbehaves" at the Cort Theatre in New York.

For their first presentation of the year, in the Narberth School auditorium, Narberth's dramatic group has selected a laugh-getting play that is guaranteed to pull the audience out in the aisles either through comedy or through suspense. The cast scheduled for the three-act mystery will

include Maurice Du Marais, as the Bishop of Broadminster; Evelyn Dutton, as his mystery-loving spinster sister; George Werner, Betty Bruneel, Ruth Conley, Robert Estes, Francis Mitchell, William Muller, Elmer Hackman and George McAllister.

Assisting Mrs. Simpson is Cecilia Link. Myrtle Harnden is in charge of the properties for the production. The scenic effect is in charge of Roger Burns.

While "The Bishop Misbehaves" is not a heavy drama, it is a desirable vehicle for a stage performance. Two seasons ago, theatre-goers witnessed a fine presentation from Cleo Mayfield and the late Cecil Lean.

Misbehaving in an admirable way, Maurice Du Marais, stellar performer in the Player's production, bids fair to carve a large niche for himself

Burgess Hall Has Answer for Slow-Car Speeders

"The charge is traveling 60 miles per hour on Essex avenue," Burgess John E. Hall told the Main Line gentleman in attendance at one of his recent Wednesday night Narberth police court sessions.

"But," answered the summoned driver, "my old Packard won't do more than 25."

"Very well," replied the Burgess. "This officer (indicating one of the policemen assigned to Narberth) is a good driver. Suppose you permit him to try out your machine. If he can't drive it faster than 25 miles per hour, I shall apologize for having annoyed you with a summons. But, if he can put 'er up to around 50, I shall fine you \$25 plus \$2.50 costs."

"You win," said the auto owner. P. S. He got off with a warning.

Police in Narberth Handle 153 Violations

Burgess Hall Reports to Solons on Work of Borough Guardians

COUNCIL IN SESSION

Burgess John E. Hall told Narberth's councilmen at their October session that "police in Narberth really do something besides walk beats."

The Burgess' report showed that 153 violations of parking and traffic ordinances were handled by assigned officers during September, and they also found ten open doors in the business section and protected a number of houses where the occupants were away.

Burgess Hall said that 85 per cent of auto violations were committed by non-residents of the borough.

Councilman Eugene H. Davis reported fifteen permits issued in September for building estimated to cost \$16,454. Also that thirty-six inspections were made by Building Inspector George B. Suplee, who told Council that he had stopped work at the apartment-house-garages, being erected by Mary G. Sharp at Sabine and Conway avenues, because he had found eight defects in the work, a faulty foundation in particular.

After hearing Davis present the water, light and health report, Councilman William H. Durbin moved the Board of Health give Council an interpretation of the technical report on the condition of water, milk and ice cream.

In the month \$34,605.21 net has been turned over to the borough by Tax Collector Edwin P. Dold.

The recommendation of Councilman Robert F. Wood that Narberth approve the laying of seven sewer inlets as a county-aid project was approved.

William H. Fretz, president, was in the chair.

Kathleen and Betty McConnell and Roger Burns.

Walter Dale, of Ocean City and New York, who broadcasts over station WPG, gave a delightful series of pianologues. Dale, a guest of Mr. and Mrs. Simpson, formerly played juvenile leads with the old Chestnut Street Stock Company.

## Big County Vote Needed

While leaders in both major parties in Montgomery County are bending their efforts to turn out a large vote in the coming election, it is not too much to state that the Republicans are working in anticipation of a substantial victory, while the Democrats, owing to a lack in both numbers and unity, are prosecuting a rather hopeless campaign.

The Republican leaders are working with their hearts set on a plurality in the county of 40,000. Some good observers believe that the margin will run higher when the ballots are tabulated on November 3.

The chief worry of the leaders is that the Republicans in the county will lack interest because they believe an overwhelming victory assured.

To offset this anticipated apathy, the leaders in the county are stressing the fact that a Republican vote in an overwhelmingly Republican county is just as important as one in a county where the fighting is nip and tuck, since after all only a Republican victory in the State can throw the electoral vote of Pennsylvania to Landon and Knox.

For that reason they are urging every Republican voter in Montgomery to go to the polls and cast his ballot, forgetful of the situation in the county and with an eye on bringing Republican victory in a State admittedly close.

team with his sparkling defense, or bringing home the tying run, which was the case in the game Sunday, which won for Narberth the Main Line League championship.

Mickey was our idea of a manly ball player, and a fine inspiration to the younger boys, who could always have been seen flocking around him before and after each game. He loved to play baseball, and he gave the game everything he had. It was Gene Davis' tribute to him that "He was a fine boy to handle, and he should go far in the sport." This confidence was confirmed by Jimmy Dykes, manager of the Chicago Americans, who ordered Mickey to report in 1937 to the Richmond team in the Southern League.

The circumstances of his accident proved that neither was he a shirker off the field.

The pity of it all. Who is there among us whose heart does not go out to Mickey in this, his dire hour of need?

Who will refuse to contribute to a purse for Mickey?

The value of the contribution in the terms of money will not be paramount to that consolation and encouragement, which such a generous gesture will give Mickey, particularly when he knows the fine spirit which prompts it.

If we know the borough folk right, and we think we do, all will want to share in this splendid movement.

Who will be among the first to send their contribution to OUR TOWN or to Davis' Store?

The names of all the contributors will be acknowledged through the columns of OUR TOWN.

Think of the real thrill and joy this boy will receive when at the hospital cot the presentation will be made listing the names of all his many rooters, backing up in a substantial way the generous applause they gave him when he was performing for the Narberth team.

### Simone Simon in "Girls' Dormitory" at Narberth; "His Brother's Wife" Next

Heralded as the find of the year in Hollywood, Simone Simon, the little 19-year-old French girl, is now appearing at the Narberth Theatre in "Girls' Dormitory." Originally planned to co-star Herbert Marshall and Ruth Chatterton, the show proved a "steal" for petite Simone. Not that Marshall and Miss Chatterton are not at their best. Far from it; they do excellent work. But the personality of Simone simply puts everyone else in the cast in eclipse.

Robert Taylor appears with a new feminine star in every picture he has made, and Monday and Tuesday the girl is Barbara Stanwyck. They appear in "His Brother's Wife." It's said to be one of his best.

Wednesday (Cash Award Night) the attraction is "Charlie Chan at the Racetrack." Warner Oland had acquired a great following in his role of the Chinese detective and devotees of mystery plays will not want to miss this one.

A return engagement of "39 Steps," with Robert Donat, is scheduled for Thursday.

### Gay Comedy, "My American Wife," is Now at Egyptian

Gaiety predominates in "My American Wife," currently showing at the Egyptian. Francis Lederer is that novel person, a count who marries a rich American girl, but who insists on working—as a cowhand. The excellent cast includes glamorous Ann Sothern, Fred Stone, Billie Burke, Ernest Cossart and Grant Mitchell.

An early Robert Taylor film, "Times Square Lady," is due in Cynwyd Monday and Tuesday. Virginia Bruce is the lady, wooed by Valentino's most popular successor.

Dolores Costello Barrymore and George Raft star in "Yours for the Asking," next Wednesday and (Bank Night) Thursday. An added subject is the snappy, speedy news resume, "Headliners for 25 Years."

Beginning a four-day run Friday of next week, is "Piccadilly Jim," the hilariously funny P. G. Wodehouse comedy.

### Attend Church Supper

Mrs. W. R. Knauer, of Brookhurst avenue, represented the Women's Community Club of Narberth and Miss Edna Mandler, of Narberth, represented the Baptist Church of the Evangel at the supper last Tuesday evening in St. Mary's Church, Ardmore, in honor of the Rev. Andrew Mutch.

## Pennsylvania German Pioneers

IS A COMPILATION OF THE ORIGINAL LISTS OF ARRIVALS  
OF THIS STATE'S EARLIEST SETTLERS AT THE PORT  
OF PHILADELPHIA BETWEEN THE YEARS 1727 TO 1808

MANY MONTGOMERY COUNTIANS, LIKE THE SPONSOR OF THIS WORK, RALPH BEAVER STRASSBURGER, LL.D., PUBLISHER OF THE NORRISTOWN TIMES HERALD AND PRESIDENT OF THE PENNSYLVANIA GERMAN SOCIETY, HAVE ANCESTRIES OF APPROXIMATELY 200 YEARS IN THIS COUNTY.

THEY ARE DESCENDANTS OF THE BRAVE AND HARDY PIONEER WHO AFTER LANDING IN PHILADELPHIA BLAZED THE WAY THROUGH THE WILDERNESS, TILLED THE GROUND OF WHAT IS NOW MONTGOMERY COUNTY AND REARED THEIR HOMES AND FAMILIES HERE.

THESE EARLY SETTLERS FROM GERMANY, SWITZERLAND, FRANCE AND OTHER EUROPEAN COUNTRIES PLAYED AN IMPORTANT PART IN THE BUILDING OF THE NATION. MORE THAN ANY OTHER AGENCY, THEY WERE AN ESSENTIAL FACTOR IN OBTAINING THE VOTE OF THEIR STATE FOR THE DECLARATION OF INDEPENDENCE. NO BRAVER BODY OF MEN EVER WENT FORTH TO DEFEND THEIR COUNTRY AND FREEDOM IN THE DAYS OF THE REVOLUTION.

WHEN PEACE WAS RESTORED, DESPITE THE HANDICAP OF LANGUAGE THEY EXCELLED IN CIVIL LIFE. IT WAS A GERMAN WHO CAST THE DECIDING VOTE IN FAVOR OF ENGLISH WHEN THE QUESTION AROSE WHETHER ENGLISH OR GERMAN SHOULD BE THE OFFICIAL LANGUAGE OF THE PENNSYLVANIA LEGISLATURE.

WE MONTGOMERY COUNTIANS ARE NATURALLY PROUD OF OUR HERITAGE. THE THREE LARGE VOLUMES constituting the set of "PENNSYLVANIA GERMAN PIONEERS" enable us to trace back and find our ancestors' names listed there—more than 40,000 OF THEM—in THE MOST MONUMENTAL AND AUTHENTIC REFERENCE WORK OF ITS KIND EVER PUBLISHED.

VOLUME 1 contains the LISTS OF 324 SHIPS AND 193 CAPTAINS ARRIVING AT PHILADELPHIA and also 324 LISTS OF THE SIGNERS TO

THE MOST VALUABLE OF ITS KIND EVER PUBLISHED FOR THE USE OF LIBRARIES AND THOUSANDS OF INDIVIDUALS

These volumes were published privately by Ralph Beaver Strassburger, LL.D., for the Pennsylvania German Society and dedicated to the descendants of these Pioneers.

Mr. Strassburger will be glad to send to you a FREE copy of the splendid review of this work by PROFESSOR ALBERT BERNHARDT FAUST, OF CORNELL UNIVERSITY, reprinted from the "Pennsylvania Magazine of History and Biography," and also details about how advantageously you may obtain a set of "PENNSYLVANIA GERMAN PIONEERS"—three great books.

President of Pennsylvania German Society, Norristown, Pa.

THE DECLARATION OF ALLEGIANCE OR OATH OF ABJURATION required under the provincial law, from 1727 to 1775 (up to the Revolution).

VOLUME 2 contains 890 PAGES OF FACSIMILES OF THE LISTS as they remain to this day in THE STATE'S ARCHIVES AT HARRISBURG, THIS BEING THE ONLY STATE THAT HAS EVER KEPT SUCH LISTS. HERE WE FIND OUR ANCESTORS' SIGNATURES IN FACSIMILE. The Editor, William John Hinke, D.D., noted scholar, formerly a professor at Ursinus College, has also drawn various forms of the alphabetical characters appearing in the German script in which these signatures appear.

VOLUME 3 contains 182 LISTS OF PIONEERS ARRIVING BETWEEN 1785 AND 1808. THIS VOLUME IS ENRICHED WITH A COMPLETE INDEX OF ALL THE ARRIVALS, together with the names of the ships and captains, more than 50,000 entries. The index makes available for the first time an easy reference to the PIONEERS.

THE THREE VOLUMES HAVE ABOUT 800 PAGES EACH AND ARE PRINTED ON LIBRARY TEXT PAPER AND BOUND IN ATTRACTIVE BLUE CLOTH. Each volume has a frontispiece in color and there are numerous other illustrations of portraits and documents.

THE BOOKS ARE BEING MADE AVAILABLE TO MONTGOMERY COUNTIANS AND OTHERS INTERESTED at most reasonable figures although they were published primarily for the members of the Pennsylvania German Society. THEY MEET A NEED KEENLY FELT BY THOUSANDS FOR MANY YEARS.

Please bear in mind that the names of the persons who signed these lists are now FOR THE FIRST TIME presented in the actual order in which they appear upon the official records. The names are in GERMAN SCRIPT and are now printed in EQUIVALENT ENGLISH LETTERS. The deciphering of the German script has been of great difficulty, the lists containing the original signatures being therefore reproduced in facsimile. The work in its splendid entirety is

# YOU PAY THE FREIGHT In Higher Taxes, Higher Living Costs, Fewer Jobs

In 1935 the New Deal was given \$4,800,000,000 of the taxpayers' money, to create jobs.

In 1936 it came back for—and received—\$1,500,000,000 more, and blamed industry for not cutting down the number of unemployed.

***In Two Years the New Deal Has Received More Than Six Thousand Millions of Dollars to "Prime the Pump" and We Still Have Ten Million Unemployed.***

***The Bulk of This Almost Inconceivable Sum of Money Must Come from the Industrial States, and, in the Words of President Roosevelt Himself, Can Come From Nowhere, in the Final Analysis, Than "From the Sweat of Those Who Labor"—(His Exact Language).***

Well, let's look at the facts and see why \$1 out of every \$5 that you spend is taxes; or, if you're not working, why you haven't a job. For it must be clear that the dollars that industry has to pay for taxes cannot be paid out for wages, too.

Let's see who it is that is keeping you paying for 10,000,000 unemployed.

Industry has very little to do with the State of New Mexico.

New Mexico had 6,500 unemployed in 1930; it has 25,000 on the relief payroll in 1936.

New Mexico has a population of 402,000, and \$59,839,770 of Federal funds has gone into New Mexico in three years—about \$700 a family.

Automobile registrations jumped 11½% in New Mexico last year, and there's a car to almost every family.

New Mexico paid \$1,108,714 in State auto taxes last year, but only \$584,841 in all income taxes to the Federal Government.

The people of Pennsylvania and similar States will have to pay that \$59,839,770—in higher taxes and fewer jobs.

The mining and farming State of Arizona with a population of 435,000 (less than one-fourth that of Philadelphia) registered 103,122 motor cars in 1935, an average of at least one to a family.

The \$883,000 that Arizona pays in Federal income tax won't even meet the interest on the \$64,513,688 that the New Deal has dumped into that State in three years.

Pennsylvania and like States will pay it. Our workers will go without cars, and even without jobs, because they and their fellow industrial workers must pay for Arizona's \$64,513,688.

In 1930 the non-industrial State of South Carolina had 19,360 unemployed. There are now 54,000 on the relief payroll.

*For, as President Roosevelt proclaimed in that famous speech at Pittsburgh, on October 19, 1932:*

**"OUR WORKERS MAY NEVER SEE A TAX BILL, BUT THEY PAY IN DEDUCTIONS FROM WAGES, IN INCREASED COST OF WHAT THEY BUY, OR IN BROAD CESSATION OF EMPLOYMENT"**

Republican State Committee

In three years the New Deal has poured \$108,163,475 into South Carolina, and in 1935 motor car registrations in that State jumped 16.3%.

More taxes and fewer jobs for the industrial States, while relief payrolls and automobile purchases go up together in the non-industrial State of South Carolina.

Nevada, with a population of 91,000 (fewer people than in each of 6 Pennsylvania cities, or any one of 26 Pennsylvania counties) receives from the New Deal \$1,560 a year for each person on the relief payroll.

That State has been receiving 10 times as much from the Federal Government as it contributes to it—which may explain why motor car registrations in that State increased 8.2% in 1935—an automobile for every third person in the State.

You will finance Nevada's joy-ride.

The farming and mining State of Montana has a population of only 531,000.

Motor car registrations took the astounding jump of 16.7% in 1935—the 149,712 registrations averaging better than one car to each family.

During the last 3 years Montana has received from the New Deal 10 times the amount she has paid in Federal taxes—and the Government recently rushed more millions west.

In higher taxes, higher living costs, and fewer jobs, you and your fellow workers will pay for the glory that is Montana under the New Deal.

Mrs. John Y. Huber, Jr., to Speak at Next Meeting of the Club

The Narberth Junior Community Club opened its season last Thursday evening with a card party in honor of new members. After Mrs. Spencer Smith's speech of welcome and the clever, funny, well-cast, skit "Anything Goes" had put us all in a very happy frame of mind we settled down to an evening of cards. Refreshments were served—prizes admired—and we all thanked Mrs. T. A. Fischer and her capable committee for a most enjoyable time.

"Anything Goes" was coached by the drama chairman, Mrs. Robert Conly. The two sister who ran the "Anything Goes" agency were well played by Mrs. Phil Foote and Mrs. Richard Gillis (lost the phone or the door bell?). Was Ezra's wife—(Mrs. N. McClure) and the smirking Jenny (Mrs. Robert Price).

Buskirk and Agnes—the snooping detectives (Miss Gladys Grover and Miss K. Laughlin) (no marshmallows thank you!) And the personable Gay Widow (Mrs. F. Hutchinson) and wealthy dog owner (Mrs. Ellsworth Clarke) were well-chosen and well-played.

## Girl Scout News

Girl Scout Troop 18, of Merion, gave a delightful supper to the Leaders of District 8, at the Bryn Mawr Presbyterian Church last week. Members of the Troop Committee are Mrs. William E. Cathcart, Mrs. Carrie Harris, Mrs. Homer Eachus, Mrs. Frank F. Lyon and Mrs. James A. Lynd. The Girl Scouts who served are Caroline Schcart, Margaret Eachus and Marjorie Lyon.

Miss Robins is examiner in nature subjects for District 8.

An historical hike is planned for October 24, the committee in charge being Miss Helen Melvin, Mrs. Theodore Stieber, Miss Betty Seasholtz, Christine Mahl, Inez Hutchinson, Lois Staley, Blanche Atkinson, Lydia Hemphill, Emma Briggs, Mrs. Homer Eachus and Mrs. Theodore Stieber.

Latitude 39 deg., 56 min. north. Longitude 75 deg., 8 min. west. The bos'n of the Starboard watch, Phil Folwell, struck seven bells and opened the meeting of the Girl Scout Mariner Group. The new Mariners, Peggy Eachus, Ellen Jaffe, Margaret Shaver and Marjorie Lyon were then divided into their watches.

Our project for the evening was to learn the thirty-two points of the compass. This was an easy task for some, but a few of the more "landlubberly" members of the crew found it hard to visualize "northeast by east." The different types of buoys were explained.

Plans made included canoeing, trips down the Delaware, visits to the Navy Yard on Navy Day and frequent swimming parties. Suggestions for "get togethers" with the other groups of the senior patrol were discussed. The next meeting will be October 21.

## Republican Women to Hold Mass Meeting

Robert Taft Will Address Lower Merion-Narberth Council Rally

### BIG TURN-OUT EXPECTED

Opening campaign meeting of the Lower Merion-Narberth Council of Republican Women promises to be an outstanding success. Under leadership of Mrs. John Y. Huber the entire membership of the council has rallied enthusiastically to make the mass-meeting Wednesday, October 21, at Masonic Hall the largest Republican rally during the present campaign. In order to provide for an overflow meeting, loud speakers will be installed to carry the addresses outside the hall. The council in its campaign for the Landon and Knox ticket predict the mass-meeting will be the signal for energetic personal work in each of the voting districts by all its members.

The council has secured as guest speaker Robert Taft, a brilliant lawyer and one of the most effective campaign speakers in the country. He is the son of former President Taft. His subject will be "The Worker Pays for New Deal Waste."

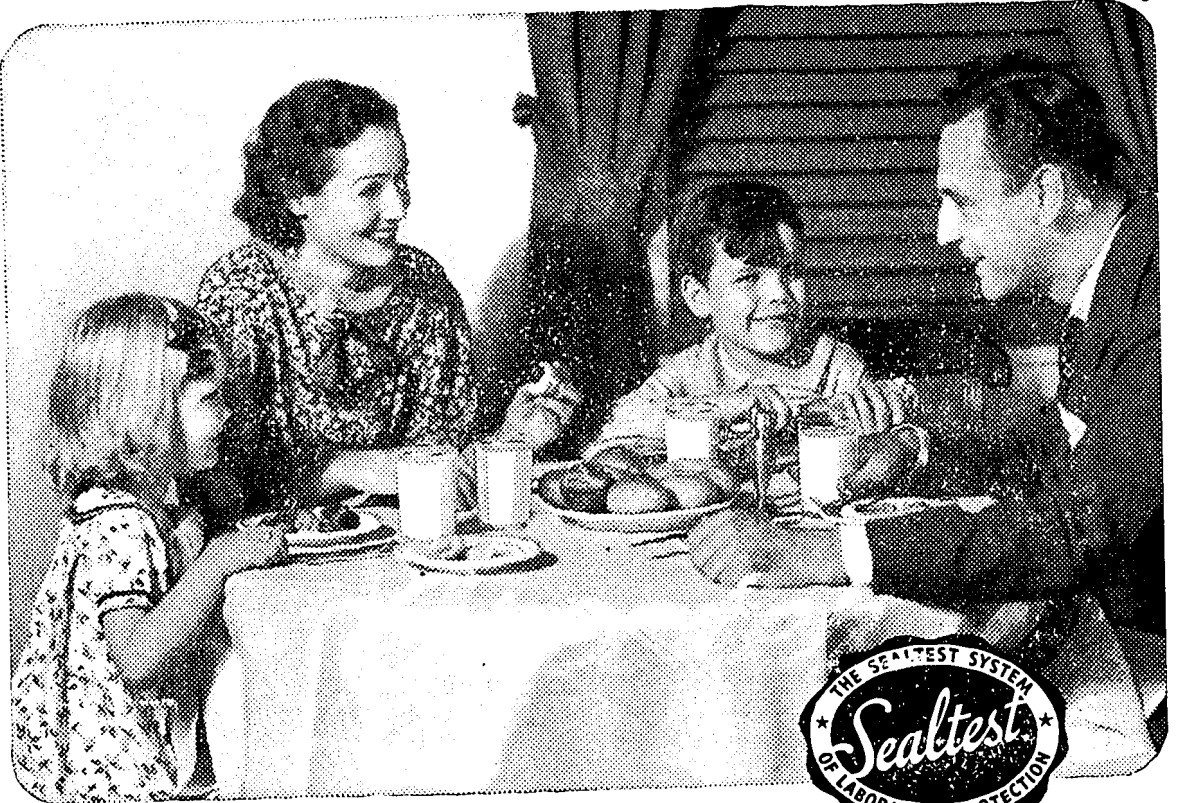

Candidates and Republican leaders in county and State expect to attend the meeting.

According to Janet C. Moore, executive director of Emergency Relief Area No. 16, Narberth's relief cases which week before last increased from four to ten cases, last week again went back to four families on the rolls.

## SUPPLEE Sealtest Premier "A" Milk

Lower Merion meets a real foe tomorrow when the pupils of Coach Adam tangle with the fighting bantams of Haverford High School on the gridiron at South Ardmore. The Red and Gold has never been an easy victim for the Maroon. Year in and year out Coach Allie Cornog's eleven plays their collective heart out to give the locals one of the hardest games of the schedule.

The two teams enter the contest tomorrow with the same record so far as victories and defeats are concerned. Haverford has dropped two games and won an encounter with Radnor. Lower Merion has lost to two non-conference teams and won from Abington. The Haverford weakness seems to lie in offense. They have scored but one touchdown in three games, while the Bulldogs have piled up six in the same number of contests.

The conclusion to be drawn is that Lower Merion sports some kind of an offense, while Haverford does not. On paper, forgetting the all important angle of condition, mental attitude, etc., Lower Merion should win this game right handily. Three touchdowns is about the right guess, but knowing Haverford's weakness for giving the last drop of blood in an effort to down the Maroon, I will feel quite satisfied if the latter walks off the field with even a 1-point margin of victory.

Jefferson, Theodore by name, has developed into one of the best football players in the suburban conference at this time. The dusky Ardmore halfback is one of the finest tacklers to grace the Maroon and White ranks in years, and his ball carrying and all around play puts him almost in a class by himself. If he is lost to the team at any time this season, his absence will be felt keenly. The entire squad has improved tremendously since that first game when Penn Charter walked away with a 13 to 0 victory. I will be surprised if Coach Adam loses any more games this season.

The Lower Merion Junior High School attended to the second victory for the varsity football squad last Friday, when Coach Mattis took the boys to Phoenixville where they won handily, 19 to 0. Abington Junior High was defeated the previous week, 26 to 0; so the boys have an uncrossed goal line to boast about. Stewart Junior High of Norristown is the enemy to be met today at Roosevelt Field. It will be a real test for the Orange and Black.

Abington looked rather impotent last week against Lower Merion. Of course, the Maroon struck so swiftly and in such a deadly fashion, that it was a hopeless outlook for the visitors after the first few minutes of play. Snodgrass has a big team, and as most of them are sophomores, you may look for an Abington uprising in another year.

Dick Miller's run overtaking Abington's end on the three-yard line was quite a speedy feat. Jack Ramsey's blocking on Jefferson's last touchdown was as nice a piece of interference as one could wish. Ted Jefferson's tackling was deadly and all that could be desired.

Continued from Page One  
times in the eighth and seemed to have the championship in their grasp. To Harry Fox, Drexel football star, goes the credit for deciding the battle in Narberth's favor. His single, with Joey Burns on third and Bud Walker on first and two down, broke up the old ball game.

The rally got underway when Mickey Gavin walked and went down to second when pinch-hitter George Gazella bounced out second-to-first. Then Burns, who had failed to come through in the pinch last week, drove a scorching liner to left, chasing Gavin home with the tying run.

#### Fox is Hero

Burns went to second on the throw-in and continued to third, when Woelfel headed off the throw and pegged wild toward home.

That was the end of Woelfel. Penman went in and was very wild. When he hit Buddy Walker the fans were in an uproar. Then he laid one in that looked good to Fox and Little Harry connected to left-center. The game was over, the championship decided.

It was a fitting climax to an exciting season. Besides the triple play and wholesale hitting the fans witnessed what almost developed into a riot in the eighth, when a double off Fred Lucas' bat which struck the pole in left, was disputed. Two rival players exchanged pleasantries in the form of some hefty pushing, but it ended at that as teammates and police intervened.

After Lucas doubled, Sammy Schaeffer was safe on an error at shortstop. Claude Bailey, giant first-baseman, then hit for one base to right, sending in Lucas. Reynolds went to replace Herrmann on the hill and was put in plenty of trouble when Bud Walker juggled Lou Spaziana's bunt as he attempted to make a play at third. Bill Vliet then hit a lobbing single to center, scoring Schaeffer and Bailey.

The triple play in the second killed what was a promising attack on Narberth's part. Walker and Fox hit singles to centerfield and Harry Ralston beat out a bounce to third. Johnny Brennan connected, but the ball struck the plate and rolled in front of it. Vliet pounced on the sphere, tagged home plate, tossed to first for the forceout and Bailey rifled a throw to third to nail Fox.

#### Big Fourth

In the big Narberth fourth session Burns hit for one base to center and Walker doubled to left, scoring him. Fox followed with a hit to right and Harry Ralston stroled. Brennan whiffed and Ralston was trapped off first. Walker tried to steal home and was out at the plate. Then it was that Eachus stepped up to the platter and sent a Severn pitch into the road in left-center, accounting for three more. It was anybody's ball game again, but Narberth fandom was yet to see the tide swing this way and that before Gene's boys finally pulled it out of the fire.

Strassburger was a Republican convention delegate last June.

#### Stars for Tome School

Saturday's football victory of Tome School over Lawrenceville on the Lawrenceville field, in which the Maryland school emerged on the long end of a 12-6 score, saw the outstanding play of Samuel C. Miller, of 311 North Narberth avenue, Narberth.

Miller, playing left end, was a tower of strength both on the offense and the defense, and has unquestionably earned his right to a regular place on the powerful Tome eleven.

### Narberth Players to Bow in Season With "Bishop Misbehaves" Oct. 23 and 24

in the dramatic hall of fame. Many will remember him in "These Few Ashes," also as director of "Good-Bye Again," he is also affiliated with the Plays and Players group in Philadelphia.

Miss Evelyn Dutton, a new actor to the Narberth group, has a major part in the cast, and is starting as a tops performer with a tops record. Her educational training at the National School of Elocution and Oratory has been supplemented with her experience as a reader for many women's clubs, and director for numerous plays.

Without a touch of romance, no entertainment would be complete, so the cast includes Betty Bruneel and George Werner. Regular patrons of the Narberth Plays are familiar with the acting of the youngsters of the performance. Betty and George have literally grown up with the Players. William Muller has been with the organization since its founding. As usual, he has been placed in a character part, that of the guilty bartender, and one that is very capable in the art of handling the knife, the "gat," and the bottle.

Ruth Conley, the talkative Mrs. Waller, is entering her second year in the group. "The Bishop Misbehaves" will be her first major part. Robert Estes, her self-made husband, ably handles his part as the ruthless business man.

Francis Mitchell, doddering and deaf, does his share to thwart the desperadoes of Surrey, England. George McAllister and Elmer Hackman convincingly play the parts of the A No. 1 Bad Men.

Rising curtain will be at 8.45 P. M. and if the biggest and best part of Narberth's population is not there, it won't be the Player's fault. It's a play anyone will enjoy.
